

Fear-Free Training for Veterinary Care

**LAURA GARBER, CPDT-KA, CC, FFCP,
certified behaviorist**

offers private sessions for training:

-  Skills that will help alleviate the stress and anxiety that dogs and cats so often experience during a trip to the veterinary clinic
-  A “place” behavior for movement onto the scale, exam mat and exam table
-  A “rest” behavior for waiting quietly during veterinary handling and restraint
-  Desensitizing and counter-conditioning to equipment, medicating and handling
